# Management Matters May 2014

Time is here again to sit and write this piece. Welcome to our new members and a speedy recovery to our ailing members.

Not much has happened in the first part of the year, but sure to liven up as the year progresses.

At the moment the nationals are on at Cessnock and there will be a report coming for that.

Recent advice from the Department of Health concerns smoking near children and clubs and members can access details from the website [www.health.vic.gov.au/tobaccoreforms](http://www.health.vic.gov.au/tobaccoreforms) .

Police policy has changed regarding safe storage and unfortunately we have to inform our members that if there is any doubt about storing ammunition and firearms in the one safe then legislation is the final criteria irregardless of what we were told previously , and rigorously adhered to by Vicpol LRD. We are not happy with that ruling and will pursue it to the end. After all, construction of safes and features in them have changed over the time but legislation has not kept up with the changes.

Reminder that if you have a dispute with the LRD over general licensing, renewals ,suspension or cancellation you have the right to negotiate with the LRD and if no satisfaction, then apply to the Dept of Justice for the Firearms Appeals committee to have your appeal heard. Remember this is your right under the Firearms Act 1996.

Members be aware of your storage arrangements as the police are checking safes with an intensity not seen before, so lock up your firearms and ammunition in the appropriate places and you will be abiding with the law as we agreed to when we applied for a licence.

Interstate however there has been another suicide with a firearm while at the range, remember shooters a NORI form is a must before shooting and immediate supervision is paramount ie within 3 ft. I am not sure whether there will be a ripple effect with all states as a result of this but seeing the Commonwealth Firearms act is a joke then it is unlikely however be aware of the implications if it happens here again.

Our editor has unfortunately resigned due to circumstances given to the executive and we are looking for a replacement, Ian initially was part of the transfer over the electronic version of the VPN and we thank you Ian for your effort.

## **JUDGES CORNER - MAY 2014**

This issue I am looking at a couple of incidents that occurred at the Nationals recently, and how to handle them.

The first incident occurred in Air Pistol where a competitor discharged propellant after the command 'Match Firing Start' was giving. He loaded the pistol and continued on with the match, at the end of his first 10 shots he was asked what happened. He said that he went to put it on dry fire and it discharged, when told that the shot that expelled propellant would be counted in the match and that he would need to leave one target blank, he asked if he could claim a break and cease as it should not have discharged when he put it on to dry fire. It was explained to him that if that was the case then he should have claimed the break and cease at the time not 10 shots later.

The following is an explanation of how these incidents are now handled under the 2013 rules.

In the 10m and 50m events no extra competition time is allowed to repair or replace a gun after any malfunction. The competitor can remove the pistol to repair it or replace it whichever he chooses, the time it takes is not timed or added to the competition time. He may be allowed to fire additional sighting shots in the Match Time if the malfunction was ALLOWABLE. Rule 6.13.4 (page 262) 2013 rule book. First printing.

In Centre Fire Rapid Fire stage a target became dislodged (no competitor on this target) on the 2<sup>nd</sup> shot, competitor fired the 2<sup>nd</sup> and third shot then claimed a disturbance, which is allowed. When informed that we would fix the fallen target (in actual fact the target was removed) and that he would finish the series. He asked how many shots, when informed 2 shots only. He asked about the third shot, was told that he accepted the condition by firing the third shot which was accepted. Rules 6.11.9 (page 258) and 8.8.4 (page 358) 2013 rule book. First printing.

**Could all clubs please check your Open Competition Contacts and email the Editor of the VPN, ([vicpistolnews@vapa.org.au](mailto:vicpistolnews@vapa.org.au)) as soon as you can. I think there's some contacts that were failed to be amended.**

# OBITUARIES

Late last year (2013) the Castlemaine Pistol Club was unfortunate to lose 2 exceptional members.

**Wendy Queripel** to a very short illness and Robert Leyshan to a traffic accident. Both of these members would have been known to a large number of competitors that visit open competitions.

Wendy was a stalwart member of the Maryborough club where she was club secretary, and treasurer for over twenty years and just as passionate about the Castlemaine Pistol Club. Wendy visited quite a few clubs on the open circuit, Shepparton, Castlemaine, Ballarat and Bendigo and was indeed successful at these competitions, she particularly liked the annual visit to “Norfolk Island” competition.

Wendy also volunteered at the shooting events at the 2006 Commonwealth games in Melbourne.

Our other loss **Robert Leyshan “Lasho”** as he was affectionately known was not only a good club member but also an excellent competitor. He travelled a great deal and was also a character, especially with his short shorts; he was also a very good competitor.

Rob competed at Yarra, Oakleigh, MISC, Shepparton, Warnambool, Yackandandah, and in earlier years Bairnsdale.

Lash was also well known for his Friday night antics pre shoot sitting up in bed with a jar of bum burner pickled onions, biscuits, Kraft cheese (had to be Kraft cheese) and Kabana which always proved to be very off putting to fellow competitors the next day.

Lash was the sort of person that was always ready to lend a hand wherever he was.

We will miss them a both a great deal, as will the monthly air pistol competition between Ballarat and Castlemaine. If not competing they could both be found in front of a poker machine at a club. We have lost two wonderful people and fine competitors.

## *Super Service Saturday .... and Sunday*

Last year Horsham Pistol Club held a Super Service Saturday. The idea was to have a fun social day starting early in the day, sharing a BBQ lunch and aiming to shoot all the service events.

The day was a social success, but we enjoyed each other's company so much we didn't get all the events shot!

This year we invited a couple of friends from Myponga, SA and Portland, Vic and extended it to a weekend. With a dozen of us sleeping over in the Club rooms Friday and Saturday nights, we were up (almost early) for eggs, bacon & tomato sandwiches each day. Saturday was straight into Service 25, followed by Service, BBQ lunch then Service unrestricted. Sunday started with WA1500 pistol followed by WA 1500 revolver and finishing up after lunch with WA48.

To add to the excitement of the weekend we were shooting for "sheep stations" – individual certificates for the best off the gun and on handicap for each event, with the most sought after certificate being the Vic v SA challenge.

With thanks to the Portland crew, Vic was able to pull off victory against SA winning both the off the gun and handicap certificates.

One of our visitors even said it was the BEST weekend he'd ever had.

We're now looking forward to our ISSF Super Saturday (... and Sunday) and plan to make it the BEST weekend EVER!!!

## PA/ISSF National Championships

*Hosted by NSWPA Inc. & Conducted by Cessnock Pistol Club Inc.*

*13th – 20th April 2014*

*This year the Victorian Pistol team again travelled to Cessnock for the National Championships. Cessnock is located approximately 50 Km west of Newcastle at the entrance of the Hunter Valley wine district. Major industries in and around Cessnock include coal mining, grazing and wine production.*

*Joining the Team this year were some new faces, Brenton Barling, Dallas Coote, Grant Eagle, Hannah Quick and Chloe Sewell. This year we were missing a couple of stalwarts, with Ralph Motton taking a sabbatical to tour China, and Greg Lowe experienced a heart attack a few weeks before the Nationals. I am pleased to report that Greg is recovering well and is round and about the opens again.*

*The range has seen some improvements since the last Nationals held there in 2012, with the installation of concrete pads on the 25M ranges at 7 and 10 yards and improved grass coverage on all ranges.*

*Weather during the course of the Nationals was generally fine and warm with just a few showers in the early part of the competitions.*

*During the first 4 days of the Nationals, the service, WA1500 and black powder matches were conducted, and Victoria had some mixed results.*

At the conclusion of the Service/BP events, the competitors attended a presentation Dinner at one of the local hotels and enjoyed an excellent meal and a few drinks. The next morning most of these competitors headed home to be replaced by ISSF team members who had started to arrive.

Thursday morning saw the commencement of the ISSF program with Women's air pistol and Centre fire being conducted.

The Women's Air Pistol saw all our ladies in the top 10 with Chloe Sewell achieving a very creditable 15th position in this event.

	Gary Mullens	546		10th	
	Lucas Finken	544		12th	

The Women's Sport Pistol rules for finals have recently been changed with a long winded final requiring almost as many shots as the whole match does. With some 25 rounds fired in the semi-final, scored by hits not value, and a further shoot off between the top 4 to determine eventual placings.

<b>Women's Sport Pistol</b>	Lalita Yauhleuskaya	575	18/7	1st	1st
	Linda Ryan	572	14/1	2nd	
	Elena Galiabovitch	568	11/4	4th	
	Kristy Gillman	568	11	5th	
	Marianne Austin	564	4	7th

	Chloe Sewell	426		23rd	
<b>Junior Air 60</b>	Serg Yauhleuski	548		6th	4th
	Brenton Barling	533		9th	

The Junior Air Team is a mix of girls and boys, with the first 40 shots from the JAP60 scores used to decide team placings.

On the last day the Men's Air and Standard pistol events were contested and a shoot off was required to determine 2nd and 3rd standard pistol placings. Bruce Quick successfully held off Daniel Repacholi (NSW) 45 to 37.

<b>Standard Pistol</b>	Bruce Quick	557		2nd	1st
	Linda Ryan	550		8th	
	Gary Mullens	547		11th	
<b>Men's Air Pistol</b>	Gary Mullens	565	194.3	2nd	2nd

	Dallas Coote	555		22nd	

### Aggregate Trophies

Junior (Sport/40Air)	Serg Yauhleuski	930		2nd	
Women's (Sport/Air/Std)	Linda Ryan	1493		1st	
Men's (5 match)	Bruce Quick	2788		1st	

From an overall team perspective, this was a very successful result as the Team claimed the Phillip Adams Trophy which includes all events shot at the Nationals.

NSW were unfortunate that one of their service shooters was disqualified (Not achieving required power factor) or they would have taken this trophy.

The highly prized Manton Shield was awarded to Victoria this year, the first time we have held both trophies since 2006.

Full results at <http://www.pistol.org.au/results/national-championships/issf-pa-wa1500-match>

I personally would like to thank all members of the team for their efforts at the Nationals and during the year prior.
