VPN Editor Cath Leask

Gotta love an impromptu catch up. Just back from a whirlwind trip to Melbourne, and I got a bit of time to talk to VAPA Pres, Bob Maddocks. I love our chats. We go on these dynamic, diverse journeys that, I swear between us, we solve the problems of the world. I am incredibly grateful for the support—and friendship, that Bob has given my over the past... how many years is it?

There is something to be said for making these connections with those who have been a long time in the sport, and the industry. It's been over 20 years for me, and wow have I seen some changes, I have been fortunate to be a part of those changes, fostering and facilitating changes to legislation, policy, relationships between industry, sport and government. Although there is something peaceful about not being on that side of the fence.

VAPA continue to be a leader in the sporting and teaching space. It is wonderful to see Rob Vadasz back, if I wasn't retiring, I'd have been there!

Thanks to the VAPA committee for making that happen. Looks like Queensland shooters got the benefit of Rob's experience—and VAPAs coordination skills too!

I want to shout out VAPA Team Manager, Cherie Blake. I am always in awe of her abilities and achievements as a shooter but also her drive and enthusiasm for the sport, the association and for helping others achieve their dreams. Whilst things are changing, it's always been a tougher journey for women in this sport and industry—and we can always do better—and her tenacity and passion continue to shine through.

As anyone who's engaged in a teaching or management (including committee) role, they will tell you that their own shooting often suffers. It's often a thankless task too. If you're on the range and you see one of those incredible people—whether from your club, another club or the association, please make time of them. Perhaps RO for them if you can, give them an opportunity to take off their vullie hat and put on their comp hat.

To those that do that—thank you.

To our amazing vullies, from VAPA to club committees, coaches to coordinators RO and judges to canteen staff, to runners and target patchers, and everyone in between. All of you. Thank you. We couldn't do any of it without your efforts and time.

It has been marvellous to trawl through the results and photos (thank you Facebook—I'm still forgotten :D) to see the number of events being run again. As I transcribe the results each edition, there are those names that always pop up, but this time there has been a real changing of the guard. So nice to see so many new names "on the board" and some old familiars rising in the ranks. Even more to see the turn out to these events increasing.

Like I always say—get out there, it's really not that far, especially if you're city folk as you are reasonably central. (seriously, I do the CBR-BNE run in the car every couple of months, 13 hours door to door). You'll support a regional club as well as small businesses AND meet some new people. Who knows, even win a medal. And if its just the metro comps, same goes! What's not to love about that?

Before I sign off, I want to take the opportunity to say thank you to the many people that have reached out to me over the past few months, acknowledging and commending me for my frank and honest account of my journey through the sport and the industry.

As previously mentioned, it was never a case of poor me—I have had some amazing experiences and I am grateful for the discipline, patience, commitment and knowledge the

sport has afforded me. They are qualities that flow to all aspects of my life. But speaking out about the not so positive may just empower others to do the same. The standard we walk past is the standard we accept.

I'm not sure if this will be my last edition, but if it is, thank you. Thank you especially to Bob Maddocks who has been one of my biggest champions, and to Roger Wakelin for his support, guidance and encouragement.

Stay safe

VAPA Management Matters

VAPA President Bob Maddocks

The year is drawing to a close and I am sure everyone is looking forward to the Christmas break to rest and relax with family and friends and possibly taking an extra few weeks for a well-deserved holiday.

The Grand Prix held at MISC in September went very well, the use of electronic targets on the 25m range worked well. It did make running events like, standard, 25m Sport and Rapid Fire a lot easier and quicker.

It was a good learning curve both for me and range staff at Melbourne. Congratulations to Paul Eskaf and the team at MISC and to Michele Standstrom (President of QLD) who came to help run and train MISC members on the 25m electronic target systems, you all did a great job.

In October, our three member Action Match State Team of Roy Bannister, Mark Blake and Cherie Blake travelled to WA for the last of the Nationals for 2023.

They did exceptionally well, with Mark Blake winning the Open event (1920 175x), the Open Practical, Mover and Super High Master events, Cherie won the Ladies Championship with Roy Bannister winning the Open Seniors event and pairing up with Mark to win the team event. Great team effort.

Over the 27—28 October, VAPA again hosted Rob Vadasz from the USA to run 2 day courses and a one day coaching course. Again we received praise from our members for bringing them top quantity coaching and support. Rob then flew to Brisbane to run a weekend course for them, which was very well received as well.

With my Shooting Australia Board Member hat on, I flew up to Brisbane from the 2—6 November to see the Oceania Championships. There were 6 Victorian pistol shooters in the A & B teams representing Australia. Individually, Elena Galiabovitch won Silver in 10m A/P and 25m Sport Pistol.

Continued page 9

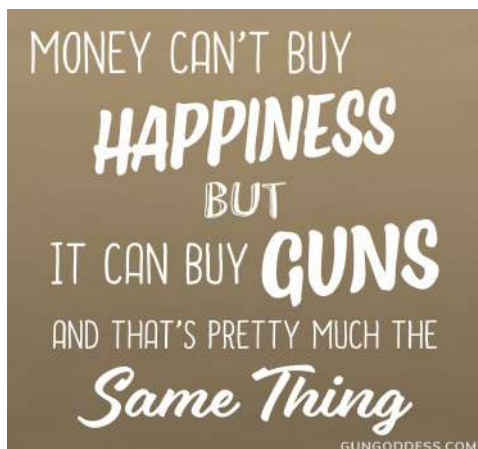

Talia Woodroffe & her coach Les Moncrieff combined to win bronze in the mixed 10m air pistol, Gary Mullen's won Silver in the 25m standard team event and silver in the 25m standard open event. Chelsea Mullen's picked a gold medal in the 25m standard pistol team event. In Rapid Fire, Sergie Evglevski won silver and Gary Mullen's bronze in the open event, Seth Bish finished 8th but missed out on the finals as he was in Australia's B Team. Overall, Australian athletes won 12 Olympic quotas for Paris 2024, covering pistol, rifle and shotgun. Congratulations to all our members in Brisbane, you did a great job.

In between these events, Mountain District held the WA1500 State Titles, Bendigo, the Black Powder State Titles and Mildura the Service State Titles. I want to thank the club membership, their committees but the RO's, Judges, range staff and the club members and families who helped with the catering to make these events happen.

Without you we would not have our sport.

Congratulations to Elena Galiabovitch and Sergie Evglevski for being nominated earlier this month by Shooting Australia in the 2024 National Performance Squad and congratulations to Talia Woodroffe for her selection to the 2024 Nationals Pathways Squad. We wish Elena and Sergie all the best for selection in the 2024 Olympic Squad for Paris 2024.

The Pistol Australia Pathways Review Committee has met for the first time to look at how PA can go about improving coaching and thereby improving our scores and training our members to compete on the world stage. Linda Ryan is on this committee and brings a wealth of experience and knowledge with her. We look forward to hearing what they believe we need to do to help our sport now and into the future.

One of my better jobs as President is at our November Committee of Management meetings is when I get to present our 50 year badges to our members. This year there were three recipients John Smeele from Traralgon, who joined on the 1st July 1973 and Neil Whybrow from Melton who joined on the 16th May 1973.

Neil who is now 91 told me, he originally joined Melbourne back in 1957, not only is Neil 91 but he only got out of hospital 3 days before the meeting, that is how keen he was to get his badge. I have asked Neil to write an article about his time in the sport.

The last recipient was Neville Maxwell from Peninsula, he joined on the 28th August 1973, he was unable to attend and his badge was mailed to him. It is a reminder to all clubs to get in touch with your older members and see if you can get them to put pen to paper to capture their knowledge and experience for future members of your club and the association.

In this issue, you will find a message from the Warragul Drouin Pistol Club, asking for volunteers to help out between the 8—11 January 2024 at a Come and Try Day for nearly 300 Scouts who are attending the Jamboree in January. Any help you can give will be very much appreciated.

In last month's VPN, our editor Cath Leask announced she was retiring from the sport and also her job as editor of this magazine, I was able to catch up personally with Cath last month, here in Melbourne and thank her for her efforts since taking on the job from our current secretary Roger Wakelin back in January 2018. She has done a great job and on behalf of the association I wish all the best for the future. An announcing of the new editor of the VPN will be made shortly.

Finally to my executive I thank you for all your help and support this year, without it I could not function, to all VAPA members and your families a Very Merry Christmas and we will catch up in the new year.

PA Action Match Nationals

Cherie Blake, Team Manager

The VAPA state team competed in Western Australia 11—14 October in the 34th Pistol Australia Action Match Nationals. The team, although small in numbers, packed a punch.

Mark Blake (NEPS) won the Open National Championship, shooting a new Australian record of 1920.175X, and claiming his fifth national championship (outright) - more than any other competitor in the history of the event.

Roy Bannister (Geelong) placed overall 3rd with a 1918.170X, winning the Senior Championship.

Mark and Roy combined in the teams event, nominating 2 matches each:

- Mark—Mover and Barricade
 - Roy—Practical and Plates
- to win and set new a national record of 1920.174X.

Cherie Blake (NEPS) came 5th overall with 1912.160X, giving her the ladies championship, her 8th since 2012 (10 x nationals, due to COVID cancelling 2020 and 2021).

As with last year's nationals, the top 16 shooters were squadded together and shot 3 of the 4 events on the Friday, leaving the mover to be shot on Saturday. The top 16 were resquadded for the mover, so the lowest score started first, and the person in the lead would finish last.

This year there were 4 shooters who were on a perfect score after the three events, Mark was sitting in 1st place, Roy was 3rd and Cherie was sitting in 8th and down 4 points down, however, shooting a good mover to finish in 5th.

Roy should be commended for his mover event, shooting just one 8 and setting the bar for the last 2 competitors at a credible 1918.

**VAPA State Team
Roy, Cherie & Mark**

Mover Cherie Blake

Mark Blake closing out

Roy on the Move-r

Chris Regan (QLD) was next to shoot and with a couple on the line, but gauged in, he shot a clean 480 to finish on 1920.171X.

Mark was last to shoot and he knew he had to shoot a clean mover with a good X count to take the win. For those watching, it was a lesson in concentration and discipline, he shot a great mover with all shots well inside the 10/X ring to take the win and a new national record.

National Champions 1st Mark, 2nd Chris, 3rd Roy

All 3 VAPA members have been selected in the (provisional) 2024 Australian Team, making up half of this 6 person team.

VAPA was unable to field any team members for the other divisions: Metallic, Production and Production Optics.

Cherie Blake winner Women's Championship

Cherie will be actively looking for members who would like to try out for these events and provide some coaching where possible.

Rob Vadasz returns to Australia

Cherie Blake, VAPA Team Manager

VAPA hosted Rob Vadasz, World Champion and World Record holder, for 3 courses at Yarra Pistol Club.

The first course, 27—28 October covered the fundamentals of pistol shooting, physical aiming and foundations, similar to last year's. Participants will be able to share their learning from this course with others in their clubs.

The second course on 29—30 October focussed on match specific coaching; drilling down into the detail of WA1500/Service and Action. It was a great opportunity for these participants to get specific training and mentoring on their matches.

The third course on 1 November was coaches day, where Rob discussed with coaches in our sport, from multiple disciplines, how he coaches and mentors, how experiences affect our shooters more than words, understanding why we coach, engagement and communication. So much great information for us all to digest and put in to practice.

Thanks to everyone who helped plan and organise this great activity for VAPA members, especially the VAPA Executive and Yarra Pistol Club.

If anyone would like any more information regarding these courses, please contact Cherie Blake, VAPA Team Manager.

SRV Grants Opens Doors: Kim Frazer

I came up with the idea to apply for a grant to improve disability access to our ranges after witnessing the difficulties our “wheelie” athletes had navigating the club, particularly when carting their equipment.

When the applications opened for the Shooting Sports Facilities Round 4 Grants program in December 2020, Melbourne International Shooting Club started to pull together an application for a grant to install automatic doors to improve accessibility to the ranges and clubroom.

While MISC was unsuccessful on that occasion, our team met with SRV to find out what improvements we could make to our application when the Round 5 program became available.

Our application was modified based on that feedback and we reapplied. In August 2022, we were excited to get the word that our application was successful. We were sworn to secrecy until the minister made the official announcements which came a couple of months later.

Once the contracts were signed with SRV in late October and after the formal announcements were made, our project manager Jo Rudman organised a meeting with suppliers to co-ordinate the timing of the installation. This was scheduled to commence in February 2023 and planned to run over a three-day period with each of the suppliers committing to the timeline.

Despite locking in prices with the suppliers as soon as we received word that our application was successful, the total project cost was more than originally anticipated.

Consequently, the contribution from MISC was more than originally planned. This was partly due to delays between obtaining the original quotes for inclusion in the grant application, and grant acceptance (a period of about 9 months) and in part due of increases in material costs which affected the entire building trade in 2022. Nevertheless, the club’s committee fully supported the project and approved the additional expenditure.

Continued page 17

Continued from page 16

While the original concept was to assist shooters with a disability with gaining easier access to the club room and shooting ranges, and to grow our membership in this category, our members and visitors have all found the new automated sliding doors a great benefit. The doors have improved access to the ranges as shooters manage the range of equipment they carry to practice and competitions.

With programmable door settings are we can accommodate various needs, such as event days and visitor access.

On a visit to MISC for the VAPA Postal Finals in August, VAPA President Bob Maddocks shared his feedback, stating, *"I am very impressed with the new electronic doors. These will suit MISC in their endeavours to encourage more Para Athletes into our sport"*.

The benefits of this change were borne out during the MISC Grand Prix in September when Scottie Brydon of Queensland visited the club for the first time since the completion of the project. Scottie was most impressed, describing the improved accessibility as fantastic. He also took the time to

advise on a couple of areas where we could improve access even further.

MISC President Nicholas Camera stated *"The MISC grants team of Gerry Butler, Jo Rudman, Jason Grogan and Kim Frazer did an exceptional amount of work to bring this project to fruition. It is terrific to see that the end result is appreciated by both our members and visitors to our range and clubroom."*

On behalf of MISC, we are grateful to the SRV team and the VAPA Grants Co-ordinator Paul Jenner for their support and assistance with this project. We also thank the Victorian Government for the grants program which made this improvement to our club possible.

Aaron Hanks, Secretary

It has finally happened. Believe it or not, the club Warragul Drouin Pistol Club has finally completed the grant works and held it's grand opening of its upgraded facilities.

Over the 2–3 September, the club held its Service open. Unlike other years, this open included the grand opening of the new club room and other facilities from the Shooting Sports Funding Program Grant that the club was awarded back in 2019.

For those that were not aware, the club was awarded a grant of \$500,000.00 to upgrade facilities and improve the accessibility. Part of the process was to have an official opening with media present.

Even though the project was completed in November 2022, the Committee decided to hold the official opening ceremony during the open to ensure greater numbers and the ability for visiting dignitaries to witness the target systems and club facilities at work.

With the first detail of shooters kicked

off Saturday morning at 9am and with the exception of a small issue with getting the targets to operate (operator error), all went well with 2 details shooting service with no issues.

Shooting was suspended at 11:00 for the ceremony at 11:30. Club President Graeme Andrews was the MC for the event welcoming all in attendance.

The assembled dignitary's included Members for Eastern Victoria Jeff Bourman MLC and Harriet Shing MLC, Member for Narracan Wayne Farnham MLA and Ian McMaster. Warragul Gazette was in attendance to cover the media part that was a requirement from the grant.

Once the speeches by the members of parliament were completed, the ribbon cutting happened with all 3 cutting the ribbon. Ian then got up and gave a quick speech and presented the club with gift that will become the club perpetual trophy for overall club champion. The trophy was made from hard wood that had fallen at the club a few years ago.

With the ceremony over, lunch was ready for the assembled masses while Graeme Andrews and Aaron Hanks took the members of parliament for a tour of the upgrades. Of particular note was the acknowledgement from Jeff Bourman regarding the improvements since his years as a member of the club, especially the work the club had performed from the club's own funds to improve the sound deadening of Range 2 and upgrades to the air pistol range.

Once the site seeing was done the parliamentarians enjoyed a well catered for lunch. Big thanks to Kim Hateley and Kim Giles for the work they put into the kitchen on Saturday. The food was delicious.

Shooting resumed at 12:30 and the beautiful weather continued for the shooters for both Service Unrestricted and Service 25. The new target systems did not bring out any new club records, but many comments were made on how much of an upgrade it was from the old days.

With having a large break in the day, a second day of shooting was needed to

Members of Parliament, Wayne Farnham, Jeff Bourman and Harriett Shing

complete the club's Service Open and Sunday kicked off at 10am. All three matches were shot on Sunday with some competitors only turning up on the Sunday. Big thanks to Graeme Andrews and Claire Hanks for the work in the kitchen on Sunday.

A big thanks to those that made this all happen: Graeme Andrews, John Spierings, Andrew Lewis, Scott Seddon, Barry Dennis, Gordon Seddon, Don Coveny, Eddie Wright, Richard Wood, Jim Simpson, Cathy Jensen, Kim Hateley, Kim Giles, Gary Fallon, all the members that helped during the build process and on the day and finally to the club members of WDPC for putting up with the interruptions and legal issues that the club faced to complete the works.

That's a wrap! The 2023 Yarra ISSF open is done and dusted. What a ripper!

The club looked fantastic, the kitchen stocked and loaded (see what I did there?) and the weather was perfect. It was fantastic to see so many competitors from across the –state and across the strait! From Tassie to Echuca to Beacy, Diamond Valley, MISC, Castlemaine, Oakleigh, Warrnambool, Geelong, Melbourne Airport plus plenty of Yarra members taking part.

We also had one of the best turnouts of juniors too!

A massive thanks to Yarra members, competitors, volunteers, scorers, judges, RO's, competitors and all who assisted, and, of course, the Mums and Dads supporting our junior shooters.

The Yarra crew hope you all enjoyed it as much as we did and look forward to seeing you all soon!

Call for Volunteers

Come and Try Days

Warragul Drouin Pistol club has been approached to offer a “come and try” pistol shooting event. From 9—12 January, the Ventures are holding a gathering [Venture 24](#) at Lardner Park for their members from around Australia. Lardner Park is about 4km from the WDPC club.

With VAPA’s assistance are attempting to organize places for around 300 kids to come and have a try at Pistol Shooting. The shooting will be with Air pistols only.

The club has the ability to have 18 kids shooting at a time. We are hoping to get enough volunteers to have one instructor per shooting Individual.

We are also looking for members of VAPA that are willing to attend with their Air

pistol as well. For ease we are asking for only Compressed Air Pistols only. If you wish to help but don’t have an air pistol that’s not an issue. The more people we can get to help the better for all of us. Or if you wish to let the club have a loan of your Air Pistol let us know.

We will need around 25 people per day to assist with this event. Volunteers will be supplied lunch and drinks each day.

If you are able to assist with this event, whether it be one day or all 4 please fill out the form below to indication your availability. You must have valid working with children card.

Please email secretary@warraguldrouinpistolclub.org.au if you require more information.

The Sport Australia Hall of Fame (SAHOF) is continuing its commitment to young athletes, awarding a further \$40,000 in elite scholarships to 16 rising stars in the 2024 Scholarship and Mentoring Program. The Tier 3 scholarship group covers 16 sports, with each athlete receiving a grant of \$2,500 plus support from SAHOF and its esteemed member base over the next 15 months.

Shooting Australia congratulates 17 year old Talia Woodroffe on her Tier 3 scholarship and being the sixth target shooting athlete since 2012 to be presented with the opportunity to be part of the program.

"Having the opportunity to be a successful SAHOF Scholarship recipient is a major achievement for me. Coming from a lesser-known sport, it gives me the opportunity to share my love for Pistol Shooting and provides me with assistance in overcoming financial hurdles in the future which will help assist my ability to reach my full potential as I grow as a young athlete balancing sport study, and life. I am very excited to see what my future with SAHOF entails."

Talia Woodroffe

"So early in her pistol shooting career, Talia has already proven she is passionate and dedicated to her sport and demonstrating the commitment required to be a high performance athlete. At the young age of 17, Talia was this year selected as a member of the Australian Junior World Championship Team where she competed in her first international event alongside her teammates in Changwon, Korea.

Talia will be the sixth target shooting athlete since 2012 to be presented with the opportunity to be part of the program. Living in regional Victoria, with a requirement to regularly travel to capital cities around Australia to train and compete, this program will provide Talia with additional resources to further engage in these domestic opportunities as she continues to develop as an athlete and pave her way in the sport. Shooting Australia fully supports Talia's development as an athlete and congratulates her on being awarded this opportunity through SAHOF. We look forward to continuing to work closely with Talia on her sporting journey."

Requirements for the Victorian Top Ten

The Top Ten is open to all VAPA members. Scores are taken from results from open competitions that have been approved by the VAPA Committee of Management.

Your results are not in the Top Ten? The Organising Secretary of the Open MUST distribute the results to all the required people in VAPA. These include:

State Team Manger

The results provided MUST include the competitors club, as the Victorian Top Ten is only for VAPA members. Without this, results cannot be included in the Top Ten as I have no way of knowing if the competitor is a VAPA member or a member of an interstate club.

Scores shot at interstate Opens can also be included, provided the open was conducted by a Pistol Australia affiliated club and sanctioned by the PA Affiliated state association.

International competitions can also be included, provided Pistol Australia or Australian International Shooting Ltd sent an Australian team to the event.

In the case of Interstate or International competitions, it is the competitor's responsibility to send a copy of the results or a link to a website to the Competition Controller, email competitioncontroller@vapa.org.au

What gets in the Top Ten?

The Top Ten is open to all VAPA members.

Scores are taken from results from open competitions that have been approved by the VAPA Committee of Management.

Scores shot at Interstate Opens are also included, provided the open was conducted by a Pistol Australia affiliated club and sanctioned by the State Association. International competitions can also be included, provided Pistol Australia or Australian International Shooting Ltd sent an Australian team to the event.

Your results are not in the Top Ten?

Here are some possible reasons:

The host club did not send the results to competitioncontroller@vapa.org.au or the results provided did not include the competitors club.

As the Top Ten is only for VAPA members, results MUST include the competitors club. Without this, results cannot be included in the Top Ten as I have no way of knowing if the competitor is a VAPA member or a member of an interstate club.
